- 2. After registration a mail will be triggered to Establishment's registered Email ID along with the activation link.
- 3. Once Establishment click on activation link, it'll be redirected to MIS public page with the Establishment Registration no. and simultaneously a mail will be triggered to establishment registered Email ID along with MIS User ID and password for apprenticeship.
- 4. After Activation of Establishment, user ID & Password would be accessible for logging in MIS system and process further (refer MIS Manual).
- 5. Once Registration process is complete, that registered Establishment will go to NPIU/SPIU for Approval.
- 6. SPIU/NPIU can Approve/Reject Establishment. On Approval, establishment would get rights to to perform further in MIS. On Rejection, establishment profile will be Deactive in system.

Apprentice Registration and Apply

- 7. Apprentice need to register themselve on Public Portal under Apprentices Registration option for Apprenticeship and the Apprentices details will be saved into MIS Database. (refer section 5.2.1)
- 8. Once Registration process is complete, an email will be triggered to the registered email ID of apprentice with activation link, once apprentice will click on Activation link, it'll be redirected to MIS public page with the Unique Registration Number.
- 9. Apprentice will search the Establishment and apply for apprenticeship Training (refer section 5.1.2.1).

4. Getting Started

4.1 Accessing portal

Public portal of MIS application has been designed as a comprehensive platform for external as well as internal users of DGE&T to allow timely and transparent flow of information. The web portal will have information such as, details of establishments and apprentices if they want to participate in the Scheme, period of training, trade of training, tracking of apprentice after training etc. To access, type the address in the address bar as: https://ncvtmis.gov.in/. User will be redirected to the Home page of the Public Portal.

4.2 Home page

Through provided URL user would directly access Home page of NCVT MIS module. Here on the top of the page Menu bar is available which contains Menu item as Home, ITI, Trainee, Certificate Verification, Instructor, Calendar, Apprenticeship and MIS Functionalities.

Figure- Home page

On selection of Apprentice options from Menu Bar, user would be redirect to the Apprentice Homepage. On Apprentice home Page on menu bar user can find different menu options as Establishment, Apprentice, Certificate verification, Apprentice protsahana Yojana, TPA and Apprentice Act.

Figure- Apprenticeship Home page

5. Apprenticeship

On Apprenticeship home page on the top user can find menu bar which would have functionalities as per system prospective. On the top right corner of the home page options available as:

Login: For Internal user to login in MIS application.

Support: To send email to support team.

FAQ: Frequently asked Questions about Apprenticeship Module.

Help: To get user manual.

In between of the Home page there are images and below the images there are four sections available. These sections have functionalities as per user conveyance.

Explanations of these sub modules mentioned on menu bar are given below.

Figure- Apprenticeship
